DRIVE-THRU & ATM COMING TO AVOCA BRANCH

Opening date will be released soon!

If you have driven through Avoca lately you may have noticed the construction going on behind the branch. A crew from Hansen Construction has diligently been working through the summer heat to complete the drive-thru project.

The first lane of the new drive-thru is a 24 hour ATM. The ATM will hold 20's and 5's and also accept deposits. A non-member will be charged a \$2.00 convenience fee. Town & Country Credit Union members will not be charged a fee to use the ATM.

The second lane of the drive-thru contains a canister and screen/microphone to speak with a member service representative inside the branch. The Avoca branch employees look forward to assisting you soon!

PEOPLE HELPING PEOPLE

Town & Country Credit Union is dedicated to becoming the financial provider of choice for our members by building lifelong relationships and supporting our communities through continuous involvement and service.

The credit union prides themselves on not only giving back to their communities financially, but also through community involvement and volunteer time. The credit union is proud of their employees and board members who continue to show love for their communities through the giving of their time and resources.

During the month of July Town & Country could be found showing support at various community events. They were in the Avoca 4th of July parade throwing handfuls of candy to people lining the streets of Avoca. The very next week the credit union employees were back at it throwing candy to the streets of Harlan during the Shelby Co. Fair parade. A few credit union employees could be found at the Pottawattamie Co. fair volunteering their time in the concession stand during the tractor pull.

The credit union appreciates and recognizes those that also choose to give back in their communities. It's a priority of the credit union to show support to those groups and organizations. They fulfilled this in July by contributing to the Avoca Fireman's golf tournament which helped to raise funds for the volunteer fire department. They also showed support to the FFA and 4-H kids at the Shelby Co. Fair and Pottawattamie Co. Fair Premium Auctions supporting Brooklyn and Cole.

GET PREAPPROVED!

Getting preapproved for an auto loan at Town & Country before you shop lets you know exactly what you can afford.

Town & Country will provide you with a letter showing the amount you're approved for. You can share this with the dealership sales person to show you have the funds available to purchase a vehicle.

Town & Country generally offers lower rates than banks and dealerships on used and new vehicle loans. The credit union also offers credit, life and disability insurance, as well as GAP and mechanical breakdown insurance.

Stop in and see us at either Town & Country location or give us a call and we'll help you get on the road in some new wheels!
